Bjork Construction
4420 Enterprise St.
Fremont, CA 94538

Dear Bjork Construction,

On behalf of Lockheed Martin Space System Company, I am writing today to express the integrity and professionalism of Bjork Construction. They hold our service contract for the fast track projects at our Sunnyvale locations as well as our Palo Alto facility. Bjork Construction has performed many different tasks in which they have provided great customer service, immediate action, and follow up on every job they complete to make sure each customer is satisfied.

Bjork Construction provides great attention to detail, organizational skills, and high-quality workmanship, on every job no matter how big or small the project. Their staff is excellent about providing information up front, to ensure that projects get completed on time, on budget, and to the client's expectations.

I would be happy to recommend Bjork Construction to anyone who is considering a service contract and would seek the services of Bjork Construction for future projects.

Please call 408-756-4974 work 408-674-6804 cell should you have any questions.

Sincerely,
